WaterWorks Art Museum Spring 2017 Classes

Steampunk Airships Workshop
Instructor: Mark Sanders
Saturday, February 18 @ 9:00am – 12:00pm
Cost: Members - \$10; Non-members: \$15

Max: 15

What is steampunk? This is not an easy question to answer, but the most basic definition is this: steampunk is modern technology (cars, airplanes, appliances, computers, etc.) powered by steam and set in the Victorian 1800's. One of the most prominent elements of this artistic genre is the use of steam-powered airships that explorers and pirates use in the skies. Provided with various materials, kids will use their imagination to create their own model-sized steampunk airship that they can hang from the ceiling!

St. Patrick's Day Art Celebration
Instructor: Mark Sanders
Friday, March 17 @ 5:00pm – 7:00pm
Cost: Members - \$3 per family; Non-members - \$3 per family

Come celebrate St. Patrick's Day with fun and art at WAM! Families are welcome to attend and enjoy the festivities of the evening. Rumor has it; there will be a leprechaun or two running about. Don't forget to wear green!

Ceramic Bookends Workshop
Instructor: Mark Sanders
Saturday, April 15 @ 9:00am – 12:00pm
Cost: Members - \$15; Non-members - \$20

Max: 15

This workshop will provide the time, materials, and instruction needed to make your very own ceramic bookend. Each participant is kindly asked to think of his or her most favorite book, story, or fairy tale ahead of time, prior to coming to the workshop. Feel free to print out source material (scanned images from books or images received from the web) or bring sketches of favorite characters, events, and places from your book/story. These images will help us turn 2D art into unique 3D bookends!

Fantasy Drawing Workshop
Instructor: Mark Sanders
Saturday, May 13 @ 9:00am – 12:00pm
Cost: Members - \$10; Non-members - \$15

Max: 15

In a hole in the ground there lived a _____? If you know the answer to this question, then this workshop is for you! Even if you don't know the answer but still love dragons, warriors, elves, dwarves, fairies, goblins, enchanted mirrors, etc., etc., etc.... this workshop is still for you! Join us for a morning of high fantasy fun! Drawing is on the agenda for this one. Participants will learn how to draw various figures and gain a better understanding of scale and perspective in visual art... and dragons... we did mention dragons, right?
